Zombie Preparedness for Educators: Scavenger Hunt

Printable PDF [PDF – 566 KB]

Encourage fitness as your class learns about preparedness!
Hide the attached emergency kit items in various locations in and around your school according to the clues below.
The students will figure out the clue, go to the location, and take out one emergency kit item.

Give the students a set amount of time to collect as many of the emergency kit items as they can from different locations.
Teams must stay together at all times, and the team that finishes first or collects the most items is the winner!
